

THE LENOVO® THINKCENTRE® M73z ALL-IN-ONE SIMPLIFY YOUR BUSINESS

UNPARALLELED PERFORMANCE

10% faster processing with 4th generation Intel® processors and the Intel® H81 chipset

MAXIMIZED SECURITY

USB port disable feature and Trusted Platform Module, Chassis Lock, Intrusion Switch, and Computrace®

ENHANCED PRIVACY

Physically lock the AIO's camera, for guaranteed privacy while working or conferencing

INTEGRATED WORKSPACE

Fits snugly into any environment with multiple stand options: frame stand, monitor stand, or wall mount

Perfect for large enterprises and public sector companies, the Lenovo® ThinkCentre® M73z All-in-One (AIO) combines strong security and powerful performance in a sleek, elegant package.

Recognizing the criticality of your data, the M73z offers the Trusted Platform Module (TPM) for encryption, and the ability to disable USB ports to prevent unauthorized system access. Taking safety one step further is hardware protection, with a chassis lock, an intrusion switch, and Computrace® software. You can even physically lock your camera, for guaranteed privacy.

Added to this remarkable mix are the desktop-level Intel® H81 chipset and 4th generation Core™ i processors. With reduced energy consumption through compliance with stringent eco-friendly guidelines, the M73z is a desktop that will carry your business well into the future.

THINKCENTRE® M73z

THE LENOVO® THINKCENTRE® M73z ALL-IN-ONE

POWERED FOR YOUR PRODUCTIVITY

- 10% faster performance with 4th generation Intel® Core™ i processors and the Intel® H81 chipset
- Faster data transfer with superfast USB 3.0 and Solid State Hybrid Drives (SSHD)
- Managing multiple AIOs is faster and more effective, with PC Cloud Manager—all you need is a browser!

SECURITY THAT SETS YOU FREE

- The Trusted Platform Module (TPM) encrypts your data for security, while the USB port disable feature prevents unauthorized data access
- Secure your data even further with self-encrypting OPAL HDDs¹
- Deploy Computrace® software for remote management and security, to ensure 100% IT policy compliance
- Lenovo's PC Autolock uses the built-in camera to detect when you're away from the AIO and automatically locks it to prevent unauthorized access
- Physically lock your AIO in place with the Kensington® Lock, to protect it from theft

DESIGNED FOR YOUR COMFORT

- Calls and conferencing have never been easier—the M73z comes with a 720p HD camera and optional dual array microphone with noise cancellation
- The ergonomically designed VESA mount and multiple stand offerings keep you comfortable while working
- Add a second monitor with the VGA out port, and watch your productivity go through the roof
- Integrated power supply allows for an amazingly convenient setup—one cable is all you need

FRIENDLY FOR THE PLANET

- Managing power consumption and performance has never been easier, than with the latest Desktop Power Manager
- Compliant with ENERGY STAR 5.2, EPEAT® Gold, and EuP 2013, the M73z is a truly green machine
- With 65% post-consumer content, the M73z reduces your environmental impact
